

Created in 1863, Solvay is a global company of 13 Billion Sales driven by proud and committed chemists. With our historical anchorage in Europe, our products serve diversified markets worldwide, from consumer goods to energy, with one main aim – to improve quality of life and customer performance. The drive to achieve our aim has resulted in 90 percent of our revenue being generated from businesses that are among the top three global leaders in their field.

The Group is looking for a Corporate Insurance Manager for Europe

Contract type : Standard

Working time : Full-time

Job profile : Exempt

Job family : Finance

Country : Belgium

Region/State : Brussels

You report to the Global Head of Corporate Insurance.

Throughout the region and in line with the Group policies, you manage and coordinate Property Loss Prevention, you ensure that local needs are appropriately covered under Global and Local Insurance programs, and you develop, maintain and manage Local Insurance Outside Global Programs (LIOGP). You also contribute to the definition, the deployment and the management of the Group Global Programs.

Missions:

- Contribute to the management of the Group Global insurance Programs
- Define and propose the objectives for local programs in line with Group policy and guidelines.
- Manage the local implementation of global insurance programs.
- Negotiate with insurers and implement LIOGP's in the region.
- Manage the administration of and cost associated with LIOGP's.
- Ensure the processing of all information needed for the management of global insurance programs and LIOGP's
- Implement and promote the global Property Loss Prevention Program in the region.
- Collaborate with GBU, Plant Management, HSE, Manufacturing and Engineering to solve insurer recommendations.
- Develop and deliver training to the organization on insurance and risk management concepts.
- Provide advice to BU's with respect to liabilities and insurance matters.
- Manage claims in the Region (Global Programs and LIOGP's)
