

WHAT IS BELRIM ?

The BELRIM Scientific Committee works in close collaboration with the academic world and wishes to promote risk management in every field.

200 members from industry & insurance world

BELRIM is a professional association of risk and insurance managers and serves as a networking platform where all actors can exchange their experience.

Monthly seminars on current topics are organised for its members.

HOW TO PARTICIPATE?

The competition is open to students of Belgian universities and/or colleges.

Topics can be related to industrial risks, financial institutions, services, country risks, public affairs, ...

“Winning this award was a great starting point for the creation of the start-up SeCuRiMet. I would especially like to thank BELRIM members who believed in me and in my research work.”

Marius KAMTO KENMOGNE, Belrim Prize 2017

THE BELRIM PRIZE:

- Discover Berlin with an international group of peers.
- Enlarge your professional network.
- Present your paper to the community.
- Participate in workshops and seminars.

Possible topics

- Legal aspects and Regulations
- Quantitative aspects (stochastics, databases, ...)
- Operational risks (cyber, supply chain, ...)
- Financial, human, environmental risks
- Prevention
- Insurance products
- Processes (risk identification, risk control, risk transfer, ERM, ...)

Students

The author(s) of the workpaper, end of study work, or thesis must have been students during the academic years **2017-2018 or 2018-2019. The author(s) must have succeeded his/her studies.**

For students of the academic year 2018-2019, only the workpaper, study work or thesis successfully presented in their school before June 30, 2019 can be taken into account.

Students having already started a professional activity are allowed to participate.

The competition is also open to **Belgian students studying abroad.**
