ORGANIZOR

This competition is organized by BELRIM – Belgian Risk Management Association v.z.w. / a.s.b.l. with registered office at Avenue de Tervuren 273, 1150 Brussels, Belgium, registered at the Belgian trade register under the number 0414.101.611.

1.

These are the official competition regulations and can be modified or brought up-to-date by BELRIM at any time. BELRIM will inform the participants of such modifications by email and on its website www.belrim.com.

By participating in the competition, the participants declare to have read and approved these competition regulations.

WHO CAN PARTICIPATE IN THIS COMPETITION?

2.

The competition is open to students or former students of Belgian universities and/or university colleges, i.e. university higher education institutions whose courses prepare for specific professional practices

The participants must have been students of a Belgian university and/or university college during the academic years 2019-2020, 2020-2021 or 2021-2022 and the author(s) of the workpaper, end of study work, or thesis of a Belgian university and/or university college. The participants must have succeeded his/her studies at the moment of the deadline for the introduction of the final work and presentation, i.e. by July 1, 2022.

For participants of the academic year 2019-2020 only the workpaper, end of study work or thesis successfully presented in their respective university and/or university college before June 30, 2020 can be taken into account.

For participants of the academic year 2020-2021, only the workpaper, end of study work or thesis successfully presented in their respective university and/or university college before June 30, 2021 can be taken into account.

For participants of the academic year 2021-2022, only the workpaper, end of study work or thesis successfully presented in their respective university and/or university college before June 30, 2022 can be taken into account.

Students having already started a professional activity are allowed to participate.

FERMA[™]
Federation of European
Risk Management Associations

The preselection file (only accepted in English, French or Dutch) includes:

- The identification sheet of the participant and of the university and/or university college
- The recommendation letter of the university and/or university college/promotor
- A brief summary (maximum two pages A4 format) of the workpaper, end of study work or thesis that highlights the link between the workpaper, end of study work or thesis and risk management.
- The anticipated table of content of the workpaper, end of study work or thesis
- A signed and dated copy of these competition regulations.

If necessary, participants can always withdraw from the competition at any time.

The preselection file must be sent by e-mail to the contact for administrative topics: info@belrim.com

Only preselection files will be presented to the jury in the final award process. Notification of preselection will be sent to the participants by email or by post by 15 May 2022

PRIZE

5.

BELRIM PRIZE : the BELRIM prize will be awarded only to the winning workpaper, end of study work or thesis that puts its emphasis on the practical aspects, the facility of implementation, or the direct impact of the work conclusions for professional risk or insurance managers.

The prize consists of :

- A free entrance and participation in the European FERMA forum 2022 in Copenhagen (for all FERMA events see the website at <https://www.ferma.eu/event/>)
- The transport Brussels-Copenhagen –Brussels and hotel accommodations during the period of the forum in Copenhagen.
- A free BELRIM membership for 1 year (until June 2022)

If the winner is not available on the respective date of the European FERMA forum 2022, BELRIM reserves the right to choose an alternative winner, the second well ranked based on its ranking in the competition.

Transport, tickets and hotel accommodation are selected by BELRIM.

The prize is strictly personal and cannot be transferred to any other person nor can it be exchanged for money or any other prize.

The scientific committee may add any additional prizes in function of its contacts with the sponsors. In such cases, the announcement will be made to preselected candidates and on the BELRIM website.

EVALUATION CRITERIA FOR THE WINNING WORKPAPER, END OF STUDY WORK OR THESIS

The criteria that will be taken into account by the jury are based on:

- 6.
- The global knowledge of the participants of risk management (15 points)
 - The depth of the proposed analysis or examination (15 points)
 - The innovative character of the workpaper, end of study work or thesis (20 points)
 - The readability of the workpaper, end of study work or thesis (10 points)
 - The practical aspects, and the facility of implementation, or the direct impact of the work conclusions for professional risk or insurance managers (40 points)

The jury will take a collegial decision, taking into account the above-mentioned points. The points have been approved by the Board of BELRIM as guidelines for the evaluation of the selected workpaper, end of study work or thesis.

The jury will be composed by BELRIM members who will be designated in June 2022.

The jury may call independent experts on the topics concerned. The expert cannot be part of a competing university or college university. Independent experts have only a consultative intervention.

Important notice : TO BE ELIGIBLE, WORKPAPER, END OF STUDY WORK OR THESIS MUST BE WRITTEN in ENGLISH, DUTCH or FRENCH only and MUST BE SENT BY E-MAIL to the contact for administrative topics : info@belrim.com BEFORE JULY, 1 2022. There can be no appeal against the selection or evaluation decision made by the jury.

Important notice : The winning workpaper, end of study work or thesis will be made available to BELRIM members on the BELRIM internet site : www.belrim.com. If confidentiality is requested, a management summary is accepted for publication. The name of the author will be mentioned as well as the fact that it is protected by copyright.

7.

PRIVACY

By entering the competition, the participant authorizes BELRIM to use his/her personal data (name, email address) for the purposes of the competition only.

The personal data will be collected and processed by BELRIM for the purposes of the competition according to the Privacy Act of 8 December 1992. The participant may, for free and at any time, have access to his/her personal data and correct them if necessary. Such request has to be addressed by email to BELRIM at the following email address: info@belrim.com.
